

## Mrs. Paulette Florence Longley

September 5, 1945 - June 6, 2025

With heavy hearts, we announce the passing of our beloved mother and grandmother, Paulette Florence Longley, on Friday, June 6, 2025.

Paulette is lovingly remembered by her three devoted children: Jeff (Tracy), Russ (Susan), and Lori (Mark); as well as her grandchildren and great-grandchildren: Sarah, Cassandra, Camryn, Nicholas, Tanner, Alexander (Sasha), Victoria, Ty, Violet, and Kaya.

She now reunites with her cherished husband of 56 years, Bruce, with whom she shared a deep and joyful life. Whether on the golf course, travelling the world, spending time in Mesa, or cheering on their favorite sports teams, Paulette and Bruce were happiest side by side, surrounded by friends and family.

Paulette will be remembered for her strength, her unwavering generosity, and her lifelong commitment to service. She gave her time generously to community causes, local charities, their dental clinic, and small businesses in the town she proudly called home for over 30 years.

Together, Paulette and Bruce touched countless lives—with kindness, hospitality, and a warm spirit that welcomed all. They leave behind a legacy of love, community, and faith. She will be deeply missed and fondly remembered

by her golfing friends, Mesa community, church family, and extended family and friends.

Celebrating you today, and always as an incredible woman with a big heart. Thank you for all the beautiful memories we have shared. I am so grateful for the time spent in the summers with you and Grandpa, and our trips to Mesa. I will forever remember our family dinners, and Christmases spent together.

“ To a beautiful Lady,  
What an honor it has been to have you as part of our family and for Cassaundra to call you grandma. From the many weekend visits/camping trips and christmas's shared when she was little, to the many summers Cassaundra was able to share her horse back riding with you! So many cherished memories with you that I am not too sure where to start. Your love and support you gave both of us will always be cherished and never forgotten. Your welcoming spirit, beautiful hospitality and amazing food will be forever missed. May you once again be walking those golf greens with your love, Bruce. We are truly going to miss you both very much but will always treasure the memories we shared with you. Fly high bright angel.

“ My dear sweet sister Paulette...you were an incredible person. I have many fond memories of returning West and visiting you, Bruce and family and brother Louis, Lorna and family. You achieved a great deal in your life. Raising three wonderful children and loving your grandchildren and great grandchildren. You were instrumental in developing and building the family dental business over many years. You always made time to host family and friend get togethers and of course we all enjoyed the legendary BBQ'd turkeys....what wonderful feasts and memories. You always stayed active enjoying many sports with your life long partner. Foremost, you were a woman of faith.

You are now at Peace with your beloved Bruce in a new realm. We celebrate you, your kindness and the generosity you showed to those around you.

You will be incredibly missed....but Rejoice and Rest sweet sister...you well deserve it!

*I just don't know where to begin....both of you will be deeply missed! I am so fortunate to have had the honour to call you my parents. Mom, I know your heart was shattered into millions of pieces when we lost Dad. After the many years of inseparable love, it was a shock that you were apart from one another for nine months to the day. The incredible memories that we all shared whether on the golf course, attending numerous sporting events or the years we were able to celebrate and visit with all our friends in Mesa, Arizona, will be truly cherished. I know in my heart that the two of you have reconnected with one another with our Lord and Saviour, Jesus Christ in heaven above. There won't be a day that goes by without me thinking of the both of you!! Rest in peace, Mom and Dad and will see you again some day. Love you both so much and know that you raised three incredible children that will continue to cherish all the memories we were able to create and allow your legacies to move forward. Love, Jeff*
