

Mrs. Pauline Elizabeth Carnegie Scott

August 31, 1960 - August 4, 2025

It is with great sadness that the family of Pauline Carnegie Scott of Blackie, AB, announce her passing on Monday, August 4, 2025, at the age of 64 years.

Pauline was born in Edmonton, AB, the daughter of Doug and Marlene Carnegie one of five siblings. She was outgoing and adventurous, a lover of dogs and horses and the farm life.

She attended various schools across British Columbia and trained and worked as a hairdresser. She took on entrepreneurial endeavors, making coats and renovating houses, and selling real estate. She eventually joined Calgary transit as a bus driver and later becoming an LRT driver. She worked with transit for over 24 years and will be deeply missed by her colleagues and passengers.

She was the loving mother of Dominique and Victor. She was a generous and nurturing mother. She was devoted and always encouraged her children to be the best versions of themselves.

Pauline married the love of her life, Ken Scott on November 27, 2021. With her partner, she was able to live her dream of farming and raising cattle and horses. Her and Ken rode many miles across US and Western Canada on

their motorcycles, taking with them her beloved pets, Charlie, Luther, and Scooter. Her and Ken were a perfect match in their passions and interests, and they shared those passions and their knowledge with all their friends and family. She worked hard and was driven in all aspects of her life. She will be dearly missed by all.

Pauline is survived by her loving husband, Ken Scott; daughter, Dominique; son, Victor; Ken's children Angela and Steven; mother, Marlene; and siblings. As well as numerous nieces, nephews, cousins, and friends. She was predeceased by father, Doug Carnegie and her beloved pet, Charlie.

Pauline requested that there be no memorial. In lieu of flowers, the family kindly requests that memorial donations be made to ARRCS safehaven (<http://aarcs.ca/donate/>).

She came
She paid me a visit on Friday morning. It was brief but she had her usual big smile. We said we would see each other later. I was so happy she came by as brief as it was.
