“ *To Bob, Peter, Heather and Dan, and the rest of the family. I just wanted to say how very sorry I am for your loss of Pearl. I have realized how long I have known her - probably for more than 40 years. It is so hard to believe she is gone because she has always been a part of my life since I was a teenager. I have so many memories of her over the years and all the times we, as a family, shared. She will now, and in the future, be a huge part of my history and will remain in my thoughts and prayers forever. Rest in peace, Pearl.*
