“ So sorry Donna to hear of Peters passing.  
I remember Peter mostly being a very quiet man but he loved to laugh.  
The photo of Peter and dad is a prime example of how things were when we were all together. Lots of laughter! Whether it was sharing a meal or just visiting and enjoying each other’s company.

We are Family and we love you both.  
We are always here for you.

“ For as long as I can remember, you and Peter have been family. I remember Peter as a strong, soft-spoken man with a warm smile. It's a Dr. Suess quote, of all others, that I can offer as comfort.  
"Don't cry because it's over. Smile because it happened."
