

Mrs. Phyllis K. Scott

April 22, 1924 - October 21, 2011

Phyllis (P.K.) Scott Tee (nee Knox) passed away suddenly, in Okotoks, Alberta, on Friday, October 21st. P.K. was diagnosed with cancer on October 16th, and left us peacefully on Friday, October 21st. At her side was her daughter Dawn Humphrey and her grand daughters Kim Humphrey (Ken) and Shelley Duret (Colain). P.K. also leaves behind her son Gary (Melonie) Scott and her grandsons Graham (Angela) Scott and Geoff (Amber)Scott, and her new great-grand babies Conlan Reid Scott and Olivia Skye Scott as well as her step daughter Fran.

P.K. was predeceased in 1972 by her husband Robert (Ernest) Scott and in 1994 by her husband Edward (Ted) Tee. She and Ted loved to entertain, and she enjoyed her many hours entertaining with the Jubilate Singers and especially her time with the Tri-Tones.

At P.K.'s request, there will be no funeral. She didn't want us to mourn, but to remember the good times.

“ *My Nana always said that when she goes she didn't want tears shed - I don't think she realized how hard it would be for me or she never would have asked me to make that promise. She was the first one to teach me that when those we love pass away they never really leave us. I know she is still with us even though she is not here in person! The world is less because she is gone but I am more because of what time I had with her.*

“ *PK, my Nana, used to sing to my brother Geoff and I when we were young. I have very fond memories of that time, which have been on my mind a lot lately. She even made a nice tape of my favourites when I was little, and I'm happy to still have it. She was a great grandmother and an important part of my childhood. I miss her a lot.*
