

Quenten Lawrence Barrett

October 19, 1956 - September 15, 2019

Mr. Quenten Barrett of Nanton, AB passed away peacefully at home on September 15, 2019 at the age of 62 years. Quenten is survived by his wife Sherri; sons Timber and Riley and daughter Kacey; parents Sandy and Beth; brothers Darcy (Verlaine) and Wyatt (Laura); sister Dallas (Rod); and numerous nieces and nephews.

Quenten was born in High River, AB, and resided in the area between High River and Claresholm throughout his school years. After graduating, Quenten hit the road and worked for a time in the oil patch, but only when he wasn't following his true passion as a Guide for Big Game Hunters. Guiding for White Tail Deer, Big Horn Sheep, Caribou and other big game took him to areas throughout northern Alberta and BC, and the North West and Yukon Territories. It was during this time that he met Sherri, he hung up the trail pack and they settled down to raise their family in the log home that he crafted east of Cayley. They moved their clan to their current home southwest of Nanton in 2001.

Quenten was an avid, hunter, fisherman and outdoorsman throughout his entire life. In his down time, he let his artistic side show, sketching and drawing wildlife. He was talented with a chainsaw and a scribe, crafting custom log homes and restorations throughout southern Alberta. Quenten always had a story to tell, or an idea for 'how we could do that better'.

Memorial Donations can be made to the High River District Health Care Foundation, 560 – 9th Avenue S.W., High River, AB T1V 1B3, www.highriverhealthfoundation.ca.

A Memorial Service was held on Thursday, September 19 at 2:00 p.m. at the Nanton Memorial Community Centre, 2204 – 18th Street, Nanton, AB.

“ I had the great pleasure of working and living with him in Chetwynd side by side for months and he was the hardest working man I've met. I had was taught so many valuable skills from him that I use in my every day work. This man was the purest and most respectful man I know. This man never stopped surprising me every day I spent with him. Him and I used to tip our hats to pay respects whenever we passed memorial sites and I will continue this respect in honour of you my friend. Rest easy Quincy

“ Sherri,
I'm so sorry to hear that Quenten succumbed to his illness - I'm glad I had a chance to talk to him a couple of months ago.
He was a fantastic log craftsman and we have many momentos of his work at Riverbend - the 80 year old barn he renovated, 2 hay sheds, the pump house and most recently the camp shelter. I will always treasure the times we spent together on those projects and think of him whenever I walk the property to admire them.
I will miss you "bud". Rest in peace.

With the complete restoration he did of our log home in 2008, his craftsmanship and knowledge lives on. Take good care of each other and we will be remembering Quenten with much fondness.*
