“ Susan, Tracie, Kelly & David, I am so sad to learn of Gary's passing. I have such fond memories of him and your family when I was growing up "across the crescent" from you. My first babysitting job was with your family, I think Tracie was a wee baby at the time. When I grew a little older I would go to the shop to sweep the floor and clean up. I remember holidays with Gary & Susan and the kids. Such happy memories. It is so hard to lose a loved one, but always know he will be in your hearts and watching over you from above. You and your families will be in my thoughts and prayers and please know that I am here if you need anything at all.  
Love to you all.
