“ *Lorrie, John, Arlayne, Gord, Bev, Aunt Norma and families, please know you are in our thoughts and prayers during this difficult time.*

Marion was a such a kind person who took care of so many people during her nursing career, with her capable caring hands. She was such a blessing to our Hospital and Community.

I enjoyed my visits with your Mom when I was working at Western Financial Group when we would discuss farming and family. She and I shared a wonderful day on Fall afternoon when she showed me the family farm and I got to see my great-grandmother's flour bin. That farm visit, became a very meaningful conversation with your mom. I also, remember her when I was a small child visiting, Aunt Norma on their farm, near Dinton, when Marion arrived for a visit. I was in awe of her and thought she was beautiful. She was still single and had not married your Dad yet, but I was smitten. As I got to know her during my adult life, my opinion of your mother never changed. We hope you will all find comfort in the wonderful memories you each have of Marion - a life well lived and loved.

“ Our sincere sympathy to all of Marions family . Memories of Marion are of a soft spoken gentle nurse who maintained an organized routine for everyone who received her care . Her love of being part of the yearly bird count and her interest in the history of our area and her organized thoughtful nature made it certain she would follow up on everything she started . Rest in peace dear friend .Dorothy and Bill Holmes

“ I remember Marion as a wonderful nurse. I knew her through going to school with Arlayne. And then later got to know her better due to hospital stays for myself, and than later when I had kids, and because of the many stays Candisse had in High River. I know she used to love gardening and was a sun worshipper. My heart goes out to all of you in this time of loss and the years to follow. She will be missed by all who had the opportunity to know her. May your fond memories bring you peace now and forever after. Hugs to all. 🙏🥰
