“ Ren was my "big brother". For some reason, a memory that comes to me is an old one. We spent summers for many years in a remote lake in Algonquin Park in Northern Ontario, where our Dad ran a private fishing lodge. We learned to be independent and self-motivated. We entertained ourselves and the family was/is a close one despite the distance separating us.

Our Love to Linda, Peter and Patti and the Grandchildren. He had many friends in High River and I want to thank them for their kindnesses to Linda and Ren over the years.

We will miss him terribly! Rest in Peace Ren.
