

Mr. Robert "Bob" Douglas Allan

March 2, 1930 - September 23, 2024

Mr. Robert "Bob" Douglas Allan of High River, passed away peacefully, September 23, 2024, at the South Health Campus Hospital, Calgary with family by his side at the age of 94 years.

He was born March 2, 1930, in Chilliwack, BC, the son of Clark and Barbara Allan. He was raised in Black Diamond, AB where he resided for a number of years before moving to High River to be closer to his family.

Bob was predeceased by his beloved family, his parents, Clark and Barbara Allan, his siblings, Charles, Harvey, Frank, Charlotte, Jack, Ron, Tom, and their spouses, several nieces, nephews and cousins.

He is survived by and will be lovingly remembered by several nieces, nephews, as well as great nieces and nephews.

In his earlier years, he was proud of the fact that he worked as a steel worker for 25 years, and the Power Line Business, travelling many distances. He later worked in business, with his brothers, operating Allan Brothers Water Well Drilling, then Allan Brothers Construction.

Finally in retirement, Uncle Bob enjoyed the simpler things in life, fishing, gardening, riding his bike, a daily walk, a good book, and always caring and

making time for family. He took pride in his day to day living, mowing his lawn, shoveling snow, and puttering in the garage. He looked forward to reading his Calgary Herald daily and sharing the daily highlights right up until his passing. If you couldn't find Bob at home, you knew he was out for coffee time at the local D.Q.

As Bob may say," If others wonder why I'm missin' - JUST TELL 'EM I'VE GONE FISHIN'.

Uncle Bob, you will be so missed, but we will treasure all the great memories!

The family would like to give special thanks to Dr. Vyse and his staff for his exceptional care and kindness over the years.

As per Bob's wishes, a Private Family Interment will be held at the Okotoks Cemetery at a later date. If desired, Memorial Donations may be made to STARS Air Ambulance, 1441 Aviation Park NE, Box 570, Calgary, AB T2E 8M7 - www.stars.ca

“ Julie and the entire Allan family may the memories of "Uncle Bob" keep him alive within you.

"Uncle Bob" was my neighbour for 10 years and what a character! You could find him early in the morning outside doing things in his yard. Well and others yards as well! I would often see him across the crescent raking up her leaves and even trimming her apple tree. He would clean up after the 3 old town trees so many leaves and he would pile them up. After a storm he would go out and pick up all the branches and pile them up ever so neatly. Even last year when he should have been slowing down on the clean up, I would leave for work and he would kinda hide behind the trees like you can't see me still cleaning up those branches.

"Uncle Bob" would "watch" out for me. I recall after the flood I was working hauling dirt up and down my sloped lawn and he walked over to me and said hey I just wanted to tell you that I see you out here every night after you get home from work, working your butt off and I wanted to let you know your doing a great job. Well that meant a lot from the extraordinaire yard man!

He called Julie and told her "to let that friend of yours" know that the roofers are doing a good job and keeping the yard clean while doing the roof. Then when I got home he come over to let me know.

Another time he said to Julie "that friend of yours" had a truck stay overnight.

Always a waive and smile. He appreciated the baking I would take over. Oh wow you didn't have to do that, that is sure nice of you.

Well "Uncle Bob" the trees have been taken down so you don't have to worry about how they will be cleaned up. You will now have a better view from heaven to keep watching over "your neighbour" "that girl across the street" "that friend of Julie's"
