“ Shanna and Gerald my heart goes out to you both at this difficult time. I have many happy memories of both your mom and dad. I attended school with your mom and was a neighbor to your dad and Uncle Don. I hope you find some comfort in knowing that they are together again. May peace surround you both.

“ Robin was my perfect childhood friend. We lived a half mile apart and every day after school we would run from the bus, get our horses and meet somewhere in the middle on a country road. I had an Appaloosa named Speckles and Robin had a pinto named Bobby McGee. We went to horse shows, parades and rodeos - Floyd and Chickie took us everywhere. We dreamed of being cowboys and riding bulls. We ate pop tarts and picked raspberries from the prickly berry bushes laying across our horses' backs. We raced through the swathed wheat fields in the fall and splashed through the melted snow pooling in the pastures in the spring. We combed the countryside with our horses and an old dog named Snoopy, exploring abandoned farm houses and barns, throwing dirt lumps at my brothers and building hay forts. Our holy place was the barn, listening to the radio, cleaning our tack or brushing our horses. Everything that made my childhood so wonderful was in part because of Robin. She loved me and was as kind and generous as a best friend could be - how lucky I am to know such friendship. Thank you Robin for coming into my childhood and being the friend you were. I will always hold you close to my heart. I love you.

before you die
whatever else
you leave undone

“ Robin was always such a beautiful soul who would help anyone. She was our daughters biggest fan while in 4-H right up until just a few weeks ago. I had the privilege to be co-Leader of the Cowboy Trailblazers with Robin. Her horse knowledge was immense and her value added to our club was invaluable!

Robin would call to just check in and say hi, chit chat a bit then we were good for another week or so. I will miss her for her wit and charm, knowledge of SO MUCH and even her little stubborn and sassy side.

Rest in Peace Robin, I know you and Ray are together again.

“ I have many great memories of growing up with Robin, in Blackie and spending time at the farm and horseback riding. We didn't get to see each other much these past few years but whenever we did see each other it was like old times. Lots of laughs and gigles. So sorry for your loss. Geraldine (Egeland) German
