

Mr. Roger Leslie Hagell

November 26, 1962 - March 2, 2015

We announce with heavy hearts the sudden and unexpected passing of our dear friend, Roger Leslie Hagell at the age of 52. Roger was the only child of his predeceased parents, Norman L. & Joanne M. Hagell (nee: Bradshaw).

Roger was born in Toronto and grew up in Ontario before joining the Royal Canadian Air Force at the age of seventeen. Roger served in the RCAF for several years working in remote locations across Canada including the vast and majestic Canadian Arctic. His love for animals lead him to work with the City of Grande Prairie, Animal Control Section of Enforcement Services where he became a Constable. He also joined the Commissionaires where he proudly worked for years. Roger's expertise as an IT Specialist led him to a career with the Grande Prairie Public School District, Mullen Trucking and then as an independent consultant most recently working with the oil and gas industry.

Roger had an easy going personality and loved to laugh. He moved to the Saddlebrook Temporary Community in the summer of 2013 and became an active member of that community. Roger could be counted on to boost spirits in any one of the restaurants or coffee shop at Saddlebrook and was instrumental in spearheading meetings and lending a hand when needed. Roger had a wide circle of friends including many within High River and Calgary. He was always willing to help anyone and would not hesitate to help

out a friend when needed.

Roger's best friend and constant companion Zeus, a spunky and soulful Jack Russell Terrier, will miss him terribly. Roger and Zeus went everywhere together and could often be recognized as a pair around High River. When Roger acquired Zeus, he knew he had truly found a friend. The two were at each other's sides constantly and Zeus was with Roger until the end.

A Celebration of Roger's Life will be held on Friday, March 27th at 1:00 p.m. at the High River Full Gospel Tabernacle (1802 9th Ave. SE, High River, AB). We welcome all attendants to join in storytelling, picture and memory sharing at that time. If desired, in lieu of flowers, we ask that donations be made to Heaven Can Wait Animal Rescue Foundation, Box 6131, Station Main, High River, T1V 1P7. “ *I am sorry to find out of Roger's passing from this life. He was a classmate of mine at People's in Toronto for a number of years, and we reconnected on Facebook briefly just a few years ago, my sister and I encouraging him in his faith in Jesus Christ. I have fond memories of Roger from our school days and pray his family and friends are comforted with God's promises of peace for those who trust Him. 'Til we meet again, Monica White*

“ Roger, my friend it's hard too beleive that you are gone from earth and now with the Lord. We'll always remember your funny jokes and your singing in the choir. We were meeting on 3rd avenue in the old church building when you and the guys from the base came visiting the church. You enjoyed so much you got out of the service early to join us and help us build a new building in 1988. The mission trips we took to South Carolina and North Carolina were a laugh and funny. We bought clothes for our mates and enjoys what our gals looked like. If God likes jokes of any kind He's laughing at your jokes. I remember while staying at our house one night you scared the living day lights out of us when opening the bathroom door after taking a showe the smoke alarm went off.. We ask that you not do that again and you didn't until the next night. You were a close friend while in the church from 1983 until 1996 and we will always remember many wonderful things from your life. God bless you Roger. Love, Paul and Julie Peacock

“ The last time my husband and I saw Roger was before he moved away from Grande Prairie. He was a long time friend of our's during his years living and working in Grande Prairie. We spent a lot of time with him and his wife during those years. Lots of many happy memories we have of Roger. He will be truly missed. Thank you, Roger, for the many lives you have touched across the span of time. See you on the other side.

“ Roger was one of my first friends I met when I came to CFS Beaverlodge. We spent many days, evenings and camping trips together. The last time my wife and I saw him we were working on the High River flood relief and he walked in and surprised us. It was a very busy time for id's all but we still managed to spend an hour talking about old times. He will truly be missed. His love and quick wit was always fun to be around. RIP my friend.
