“ Hi Angie, I was shocked to hear of Roger's sudden passing and I'm glad that I was able to connect with you this evening and to pass on Patti's and my condolences. I have many many fond memories of working with Roger over the 10 years we were together at HED and then Western. Roger was a true friend and confident and I will miss him terribly.

As I had shared with you this evening, it was only a couple of weeks ago the Roger and I exchanged emails and sadly I will never get his reply to my questions.

I know you have many friends and family that will help you through this, but if Patti and I can ever be of any assistance please don't hesitate to call on us. You can reach me at any time at 416-272-1229 or rvalpy@me.com

Take care of yourself Angie and know that are thoughts and prayers are with you.

“ Angela I have never met you, however I worked with your husband Roger before the Milnco transaction was finalized. I am so deeply sorry for your loss as I know Roger loved nothing more then coming home to you and the dogs, going on walks and talking with you. I wish I could send words that could somehow comfort you in this time of grief. Roger was a mentor to many, a father figure to some and a great friend to hosts of others. Roger will be sorely missed in the industry, but his legacy will live on in the people that he touched forever!

May God bless you and keep you strong.

My sincerest condolences,

“ Although I only worked with Roger a short time, I can honestly say he was one of the kindest people I have ever met. He exuded a calmness about him, but was also quick witted, and loved a good laugh. He has left a tremendous void in our Milnco Family. To his wife and family, may your memories of happier times bring you comfort during this difficult time. Sincerest condolences, Lucia Baptista

“ *Rog, it was always you and me buddy, workin' the booths and doing their gimmicks and pics at the CRIMS Conferences. It was such a shame when they disallowed spouses. I had a lot of laughs with you and have always looked at you as an important influence in Cliff's life, like a "father figure". Thank you for all you've done for him and our family. You will be sadly missed so much. Milnco was the final stage of your partnership and unfortunately we all won't see the finish line together. Rest well, you were very loved, and will be terribly missed. PS. Thanks for swiping me all the other Companys' schwag ;). Love always,

“ *Debbie and I were saddened to learn of the sudden passing of Roger with whom I was fortunate enough to work with while at HED. Looking back I can recall my involvement in his hiring to what was then a new and very key role in management of the company, a testament to his background and experiences to that point in his career. On a more personal note, there were his family connections to Thunder Bay which mirrored those of Debbie's parents and their extended family members' origins. That led to the sharing of many stories and laughs. Angela, we are thinking of you at this most difficult time and know that you have the good fortune of support from close friends and family in High River, Winnipeg, and Thunder Bay and indeed in all places where you and Roger have roots.*

“ I was so deeply saddened to hear of Roger's passing. I worked for him over the last couple of years and it feels like the last 20. From the first day of taking over Milnco Ins. with Cliff, Roger made us all feel important. He exuded kindness and a sense of control that I do think everyone looked up to. I had a tremendous amount of respect for him and I will miss him in the office.
My deepest sympathy to Mrs. Ranieri, as well as Rogers parents and family.

Rest in peace Roger. You were a good man and it was a pleasure.

“ So sad to hear of Roger's passing. He always made time to help or lend support at work in his calm confident way. Enjoyed our visit at the golf tournament recently. He was happy and seemed relaxed and proud of his latest business venture which makes this loss even greater. You will be missed. Peace be with you.
