

Ms. Rowan Wolfe

April 14, 1948 - January 18, 2021

Rowan Wolfe passed away peacefully on January 18, 2021 at her house in High River after many years of poor and declining health. Rowan was predeceased by both her parents, two brothers and very sadly her daughter who along with her son were the shining lights in her life. Rowan leaves behind her husband Alan, her son Luc (Lu), her brother Robert (Dorothy), nephews, and nieces, and grandchildren and many, many members of our extended family. She also leaves behind her dear and closest friends and the caregivers whom she came to love.

Rowan's passion was her art and particularly her writing which was non-fiction, fiction and her favorite, her poetry. She also painted using water colours. Rowan had been unable to practise her art during the last few years of her life due to her illness and suffered continuously because of this loss.

A funeral service will not be held at this time. In lieu of flowers, please consider donating to Rowan House, www.rowanhouse.ca, or any Women's Shelter of your choice.

To my Cinnamon Girl, may you stay forever young.

Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass) 403.652.4242.

“ *Rowan is unforgettable. Gentle with an edge; creative with humility; supportive without being overbearing.*

Her life was variety. Though it is always sad when a multifaceted woman such as Rowan passes, it is comforting to know she passed peacefully and at home.

Alan, you were her rock and a soft pillow.

You and Rowan are an inspiration for dealing with tough times. May her spirit carry you through your grief.

We will remember Rowan for her style, humour, queen-like ways and her wild, hippy heart.

“ *I am saddened to learn of Rowan's passing. I enjoyed cheerful visits with her on those days when I arrived to take care of her energetic dog, Morgana. The pooch became too much to care for so I helped find her a new home with a caring Kimberley family. May Rowan's spirit now run free along with that of her loving dog.*

“ I am deeply saddened to hear that Rowan has left this world. I have always admired her creativity and cheekiness in her art, her writing and in life. I recently found a bag she had made for me of vintage paisley fabric and sewn on pieces of my grandmother's lace slip made into a butterfly. We shared moments in time that are truly memorable; her light will shine on in all of us. My heart goes out to Al, Luc and all of her family as you navigate through the loss of such a dear soul. ~Lori

I light a green candle for Rowan because I have a small picture full of leaves on my wall. Thinking of beautiful Rowan almost everyday. Sad to know she is gone. Hoping Alan will find strength.

Christina Ersson - January 23, 2021 at 12:38 PM

Yes, I have one of those paintings of leaves as well as a painting of the Wales theatre.

“ *Alan and family. Rowan was a special person with a gentle, creative soul. We've been thinking of her and you for many years. Rowan was such a supportive friend to our late extended family member Bob Shiels. Our prayers and condolences are with you all.*
