I always enjoyed seeing both of you at events and having a short chat. My sympathy to those of you left behind including Brenda. We go back to Gladys United Church days.

I saw the writeup later, hence this reply, I hope that he did not suffer.

“ Dear Mim,
It was with deep sadness that I heard of Roy's passing. How I treasure the memories of choir get-togethers, and the wonderful friendship that developed between us. The laughter and fun times we shared around your kitchen table are treasured memories of happier times.
Memories of Roy's emotive voice singing at Christmas or Easter, or other special events are part of why I still sing in the choir now. My life is truly richer for having had Roy, and you, in my life. Thank you. As time passes, I hope you will all find solace in the great love Roy had for you, and memories of the joyful times as well as the challenging ones.
I wish you a peaceful heart, acknowledging a life well lived, gentle company for the grieving journey, and laughter to see life's absurdities, and remember the best of times.
with much love, and prayer,
