

Mrs. Shannon Viola Stewart

January 14, 1955 - June 4, 2021

Shannon Viola Stewart was born January 14, 1955 in High River, Alberta to Chet and Waunita Scott. She passed away June 4, 2021 at the Foothills Country Hospice at the age of 66 years. Shannon is survived by her loving and devoted husband David; sisters Val Grills, Linda Hanna, Deb Malmberg; brothers Larry Scott and Norman Scott as well as numerous nieces and nephews.

Shannon was predeceased by her father Chet in 1967; sister Cheryl in 1980; mother Waunita in 1984; step-father Harry Jones in 1995; half-brother Terry Scott in 2015; brother-in-law Terry Hanna in 2017 and her niece Kristi Laycraft in 2017.

Shannon loved travelling and has been many places in the world, but she also loved her home where she loved cooking, decorating and entertaining family and friends.

A very heartfelt thank you to Dr. Adam Vyse as well as Dr. Janna van Tonder and the nurses, staff, and volunteers at the Foothills Country Hospice for the great care give to Shannon while she was there.

She will be lovingly remembered and dearly missed.

In lieu of flowers, memorial donations may be made to the Foothills Country Hospice – www.countryhospice.org or the High River and District Hospital Foundation – www.highriverhealthfoundation.ca .

A Private Family Graveside Service will be held at a later date.

“ David and family - I was shocked to hear of Shannon's passing. My memories of you both visiting the dealership are all happy ones. A friendly smile and a pup of some kind was always a pleasant catch up. She will certainly be remembered fondly and often. Take care David

“ David, you and Shannon are my second parents.. I have so many memories of times at the gun show in California (times that Shannon bought me way too much stuff). Making bracelets to sell... All the books about Calgary and Alberta..dinner in Vegas.. Temecula.. phone calls.. My wedding.. the most important part of my life and you both were there.. It truly hurts knowing she is gone.. but knowing that she was a part of my life and that I was a part of hers, helps make the pain a little easier to handle. I love you both so much ❤️

“ *David our thoughts are with you as you go through one of lifes most difficult times, especially on this day. We will cherish all the memories of Shannon and all the cruises and trips we have taken together since we met 17 years ago in the Caribbean of all places. But Shannon was a kind and caring person who always made friendships wherever she went. I will cherish my last visit with Shannon at the Hospice. She was so concerned about family trauma and what we were going through. We talked about the cruises we had taken and the mutual friends we still correspond with. And we talked about Zoey and little Princess and I believe in my heart that Shannon is with them now. Memories are a gift she left behind for us.*

“ We will always remember a wonderful neighbor during our time on Sunshine Way. From the age of 3, Taryn would ride her tricycle to the end of the street because "Miss Shannon's pantry has better snacks than mom's". The kids always looked forward to special Halloween treat bags and visits with her sweet puppies. Our thoughts are with the family.

“ I have known Shannon and Dave for many years. She treated me as one of the family. At the shows I would do my best to tease her and make her blush. She was one of the warmest, kindest people I knew and I am proud to call her my friend. Thank you Shannon for putting up with me. And great cookies by the way.

“ Sending sincere condolences to David and the Scott family. I became friends with Shannon when I moved to High River and started Grade 4 at the old old elementary school, and we were good friends during our younger years. I remember visiting the Scott home often and being welcomed so warmly by Mrs. Scott, and then being quickly immersed into their very active and happy home, with all the kids around. Shannon was a fun and caring friend, and I have thought about her often over the years, but unfortunately, we lost touch when I moved away in Grade 10.

“ Shannon! You were like a big sister to me! Your mom babysat me for a short period and I always had a close connection with you. Into our adult years we could be apart for months and even years. But when we got together it was like we were never apart. Gabbing and we had so much to say that it was a mishmash at times! Each of us excited to tell our separate tales! I will miss our DQ lunches and our special talks over a glass of red. You always had my back. Love and miss you my special chosen “Sista”. 😭❤❤❤ David , my dear friend. You were her everything! I loved how she would say “my David “ “ my Bella “ it was said with such love! . You were her life and she yours! Rest in peace Shannon! You are going to be very missed.
