“ *Shawn, you were a special man & made a difference in my life. Our regular chats meant so much to me, and I tried to never miss that opportunity when spotting you in the waiting room at CUPS. You taught me to always look at the bright side of life, and I will never forget you for that. Despite your personal struggles and pain, you always wore a smile, and always took time out for others. Thank you, my friend. You will live forever in the hearts of the many lives that you've touched. May your spirit soar, and may your soul be at peace.. <3*

My heartfelt condolences to the Fowler family for the loss of Shawn.
