“ I only got to meet Mrs. Fleury once and was welcomed with a great big smile. She had just come from treatment and was smiling. I'm sure she was exhausted but there she was. Smiling. She was that kind of person. I'm very sorry for your loss.

“ Sheila had such a huge heart, and just as big a smile. She and Joe always welcoming to me, from the first time Nicole introduced me to her parents. My memories are speckled with her laughs and kindness, and peach pie. Any time I helped with tax questions, she would offer to pay and I'd ask for a pie. I don't think she ever understood just how much I loved and treasured them. I will miss her, and will think of her often, and I'm forever lucky that she passed so much of herself to Nicole and I can still experience that kindness in my life.

“ *One of the bravest person I ever met. Throughout her challenges with her Multiple Myeloma she managed to smile and stay positive. I will miss your smile and your wit. My sincerest condolences to the family.*
