

Mr. Sheldon Dunphy Reid

July 26, 1956 - October 13, 2016

Sheldon Reid of Calgary, Alberta tragically passed in an accident that also took the lives of his good friends Ken Gellatly and Jim Prentice outside of Kelowna on October 13, 2016. Sheldon will be lovingly remembered by his son Dylan Reid; parents Orme and Shirley Reid; brother Doug (Leslie) Reid, sister Lauree (Bob) Fox, brother Kelly (Marcelle) Reid, brother Vaughn (Suzanne) Reid, sister Paula (Gerry) Duke, and sister Nerissa Reid. Sheldon is also survived by many nieces and nephews: Paul Reid, Siobhan Reid, Olivia Reid, Bobby (Ali) Fox, Raquel (Jeff) Mullen, Natalie (Jordan) Smith, Emily Reid, Blaze Reid, Kelly Duke, Reid Duke, Tel Duke, and Eliza Reid as well as great nephews and nieces Kaden and Rory Mullen, and Ella and Shea Grace Smith. Sheldon was predeceased by grandparents Walter & Jennie Reid and Holly & Ella Dunphy.

Sheldon grew up in the Sinclair, Manitoba area until he was 13 years old and moved with his family to Calgary. Along with his brothers, he enjoyed playing competitive hockey and baseball, making many lifelong friends along the way. After graduating from Ernest Manning High School, he went on to become a proud graduate of the University of Saskatchewan with an Economics (Honours) degree and then continued his education at the University of Oklahoma where he completed his Masters in Business Administration (MBA). In 1984, he returned to Calgary to begin a lengthy business career, serving in executive roles in various companies in the energy and technology sectors.

Sheldon was an avid golfer, investor, and businessman. He travelled extensively for his work and enjoyed telling stories from his times in the international business community, whether in China, Brazil, South Korea or South Africa. Sheldon's true passion was the capital markets; he was a natural trader, a man whose knowledge of investing exceeded conventional education or anything that could be taught on a trading floor. At the same time, Sheldon was a man of incredible generosity; his deepest cares ran toward his family and his loved ones. His resources - both tangible and intangible - were often spent on the people closest to him, as he was always doing what he could to give his loved ones incredible personal experiences, a better standard of life, or a better business. Sheldon's biggest source of pride was Dylan James Sheldon Reid, his only son and a man whose passion Sheldon tried to imitate throughout his life as a father.

A Memorial Service was held at Eden Brook Memorial Gardens and Funeral Home on Wednesday, October 26, 2016. - 24223 Township Road 242, Calgary, AB T3Z 3K2 (Lower Springbank Road and 17th Avenue SW).

It's been many years since Sheldon and I sat together at the back of the class at Sinclair school. Sheldon always had a smile on his face which carried on to the rest of his many friends. He was a lot of fun, but obviously as his career path shows, was very keen to learn. He was a great competitor at whatever he was doing at the time. Very sorry to hear of the loss of Sheldon.*

“ *Dear Dylan, Orme, Shirley, Doug, Lauree, Kelly, Vaughn, Paula, Nerissa and Sheldon's nieces and nephews: our hearts goes out to you.*

Thinking back to long ago are the fun times we had playing together when our parents visited back and forth. Sheldon and Doug coming over with the pony to visit. Our school Christmas concerts: Mrs Reeves would have us march around the classroom to pick the best ones for the concert : Sheldon took the task very seriously and marched with great precision to the music. He was hands down the best and would be the first chosen. The fun times going skating at the rink at lunch time - sometimes very interesting too, when one of our crazy teachers wanted Kelly to take off his skates and give them to him so he could go skating - no way was Kelly going to let him have them. Next thing see Kelly running back to the school with his skates on and the teacher running after him. Sheldon saving me from my bike predicament and storing it safely in the garage. Sheldon, Doug, Garth and I going to Oak lake with Uncle Albert's boat to water-ski.

All my love to you, god bless, Tannis and Wayne Mayert

“ I played hockey with and against Sheldon and his brother Doug. We had a memorable provincial championship in midget and some interesting battles on opposing teams in junior B. I remember Sheldon as a fierce competition on the ice and a humorous personality off. My condolences to the Reid family.

“ To the Reid family, we have had the privilege of meeting most of your family, and extended family over the past 24 years. With the sudden passing of Sheldon there will be a missing link in your family . That missing link may no longer seem to be present in your everyday lives, however the strength of Sheldon's link will be with each of you everyday. Cherish the laughter and the love that you have shared and the memories of what he has given to each of you that has helped to enhance the fabric of who you are. A chain unbroken, a life cut short, a life well lived.

“ We are shocked; very saddened and sorry to learn of this tragic incident. I met and befriended Sheldon years ago, at the U of S. Through education, I later had the good fortune to meet the entire Reid family, here in Calgary. Business, education and travel took us in varied directions but I had the honour and great privilege to know Sheldon, and the entire Reid family (Kelly, Paula-Jerry, Vaughn, Lauree...). Sheldon was an excellent man; decent, genuine and personable. A lifetime friend. I am so sorry and sincerely saddened by this news... Our Sincerest condolences...

“ To the Reid family,
It's with great sadness that Dawna and I pass on our heartfelt condolences on the loss of Sheldon. Sheldon was our next door neighbour. A very kind, thoughtful, always cheery person. Just before we left on a month long vacation in September, Sheldon wished us well on our trip and said he wanted to get together again after we returned.

We will truly miss this fine gentle man.

"It is with great sadness and deepest respect that we find ourselves offering our most sincere condolences to Sheldon's son Dylan, Sheldon's Mom and Dad and his immediate and extended family. Such a shock and tragedy to come upon a family; so unexpected and so unbelievable. Sheldon will never be forgotten by many and especially in the hearts of those that are closest to him. As extended family we only knew Sheldon as a child and through his parents. Regardless of distance and time Sheldon was a descendent of tough, caring Manitoba Farming Settlers and that characteristic came clearly through in his approach to his family, his work and his friends."
