*I feel a warmth around me,
like your presence is so near.
And I close my eyes to visualize
your face when you were here.
I endure the times we spent together,
and they are locked inside my heart
As long as I have those memories
we will never be apart.
Even though we cannot speak anymore,
my voice is always there,
because every night before I sleep,
I have you in my prayer.*

*I thought of you with love today but that is nothing new.
I thought of you yesterday and days before that too.
I think of you in silence as I often speak your name.
All I have are memories and your picture in a frame
Your memory is my keepsake with which I'll never part.
God has you in His keeping.*
