“ *My name is William (Bill) Kendall and I reside in Red Deer, Alberta. I was a troop mate of Stan during 1966/67 Troop 7 and spent six months with him and considered him to be a great individual. We lost track of each other after graduation and I was looking fwd to seeing him at our 50th. reunion in Ottawa this year. My condolences go out to his wife and family as you have not only lost a husband, father etc the country has lost a great member of the RCMP and he will be missed by all. We will be thinking of him and the other members of our troop that we have lost at the reunion and will be tipping a rum I am sure in his honour.*

“ *Ah, Stan. I was so looking forward to seeing you at our 50th reunion come June 30 - July 3rd, 2017. When I finally found you and got you on the phone, all I could hear was the same funny, happy, joking guy that I remember from our RCMP training days, 1967/68, in Regina, SK and Penhold, AB. I wanted to share some time with you and just listen to some good old BS from training days. You will be missed. I'm very saddened and close to tears that we'll not meet again. Semper Fidelis.*

Having just learned of Stan's passing, I belatedly extend our sincere condolences to his wife Lorna and the entire family. He will be sadly missed by all his troop-mates during our 50th year reunion. From my Irish heritage, I offer the following:

*"May the raindrops fall lightly on your brow.
May the soft winds freshen your spirit.
May the sunshine brighten your heart
May the burdens of the day rest lightly upon you.
And may God enfold you in the mantle of His love"*

Rest In Peace Stan.

“ *Very sorry to hear of this news. I remember Stan when I was a young man of 19 yrs. of age working at Swanson's Mens Wear in Cranbrook back in '72. I joined the RCMP because of members like Stan and have always had good thoughts of him over the years. Sadly our paths never did cross once he left Cranbrook. Take note that within the RCMP circles I heard his name come up a few times and every time he was spoken of favourably. RIP Stan. You are missed and always will be respected.*
