“ I am going to miss you baby brother. When you made a trip east to Ontario, we always met to have breakfast or lunch with you. We always enjoyed our short hour together and the you were back on the road again. I can still see you standing in front of the mike Dad made you - just a block, stick and a nail and tin can, and you practicing your song that you sang at the fair in Orillia - "Rootin Tootin Cowboy", and I played the piano for you.

We will have you in our hearts forever, someday may we meet in heaven.

Love your sister Barbara, Ed and family

“ Steve rode shot gun with his brother Charlie during their teenage years. I remember them coming out to the all the dances in Warminster. I remember meeting up with Steve in the hall ways of Park Street Collegiate Institute in Orillia, Ontario. I remember spending the summer with Steve at their family variety store in Midland as I worked there for the summer. Steve was our Best Man at our wedding on August 5, 1972. I remember Steve at many family dinners while I dated his brother. I remember when Steve arrived in Alberta. Steve has always a kind and caring man. His passing was difficult for me and I will miss him dearly. Good bye Steve, my friend, my brother-in-law. I will see you in heaven!
