“ *I had the great pleasure of being Sylvia Whitten's grandson. Sylvia was with me from my beginning and we kept in close touch in her final years. My sister, Lindsay and I had the good fortune of visiting Grandma and Chris at their home in High River two years ago, mere months before travel became very difficult. I will always be grateful that we could spend that time with her. Although great distances separated us, Grandma would keep up with me by phone. And if I called her, she would insist that I hang up so she could call me back - on account of long distance. Although, with my phone plan I was actually able to call her for free, I would still go through the motions every time. We will always miss you Grandma.*

“ Sylvia's family was like an extension my Family she was my baby sitter and when I was a pre teen I would spend time with her and Bob in Calgary babysitting her children. When I was married, Deanne was our Flower Girl.. Sylvia was like and older sister and best friend I could ever have. She was always there to listen and support after the loss of my own family . She has a special place in my heart forever and I will miss her forever but I believe we will pick up where we left off when we meet again  
My very deepest sympathy to all her family  
I am sending you my Love, and huge Hugs and many prayers

“ I have many memories of times with Sylvia.... Handicrafts Guild meetings, Tuesday Stitch, Stampede quitting, Sunday pie days, lots of lunches and dinners with a beer, and lately phone calls while hibernating. Too many of our stitch group have gone ... maybe they are meeting now!!  
See you my friend soon. Donna Downey
