“ *Our family was shocked to hear the sad news of Tammy’s passing. Our condolences to the family. It was through our love of horses and our kids that we met. We will remember Tammy fondly as a great talent agent, a horse lover and a beautiful soul. There is a special place in heaven for Tammy.*

“ Tammy was my oldest friend, she was my first friend. We grew up together in Grande Prairie. We had a childhood full of horses, animals and the outdoors. It truly was a wonderful childhood my friend. We probably touched base at least once a year around birthdays or when I was in Calgary or she was up here. I always think of her May 27th and will never forget that birthday. It breaks my heart to know what she must have gone through these last two years. What her boys and John have gone through. Thinking of you John, Foster, Julian, Jesse, And Michelle. Love Peggy

“ We were devastated to hear that beautiful Tammy had passed. She was such a lovely creative, gentle, beautiful soul and we admired her greatly. She was always someone we wanted to be near, to talk to, to listen to and to just look at. She was lovely.

“ I am so shocked and saddened to hear about Tammy's passing. She was a beautiful person in every way, and while we didn't see each other as often as we always planned to, I loved her dearly and will miss her dearly. She loved her boys so much, and her life with John. My deepest condolences to John, Foster, and Julian, and all of her loved ones. I am truly sorry for your loss. 🌸💕
