

Mr. Tanner Roy Schmuland

November 3, 1989 - October 9, 2017

This beauty of a soul left us all for better shores doing what he loved most....fishing and spending time with his buddies....enjoying life.

His loss will be felt immensely by his loving parents Craig & Debbie Schmuland, his sister Tanya (Joel) Long and their children, Tanner's only niece and nephew, Jillian & Ben; his sister Brittany (Josh); his Grandfather's Ron Allan and Roy Schmuland (Billy); Great Grandmother Selma Schmuland; numerous Aunts, Uncles and Cousins, all of whom he loved so much; his very dear friend Ryleigh Dzenick; and he wouldn't want us to leave out his beloved cat, Jeffrey Winston "Boots".

Tanner graduated from Highwood High in 2007 and SAIT's Architectural Technology program. He was handy at any building trade he tried, from roofing and framing to tiling and flooring, whatever it took to perform house reno's. He had grits and wasn't afraid to try anything.

Most recently his work took him away from home for fairly long stretches but also afforded him the luxury to take off and travel which was one of his many passions. He was a sports enthusiast, especially loving golf, hockey, snowboarding, long boarding, all water sports, long distance running and any thing else that presented a challenge.

To know Tanner was to love him....he always wore a big grin and was armed with a wicked, fun sense of humor, never failing to entertain us all with his many Tannerisms.

He lived large in his 27 years....he had an adventurous spirit and every day was a big adventure that he rarely wasted on frivolities....hanging with his good buddies wasn't a frivolity and was a close second to the importance of being with his family. We always looked forward to him breezing home for a surprise visit where he loved to talk philosophy since a young age and share his views of the world....which both intrigued him and bewildered him, all at the same time.

Tanner, we couldn't possibly love you or miss you any harder....take your free spirit kid and soar. We'll catch you on the other side!

A Celebration of Tanner's Life will be held on Saturday, October 21st at 1:00 p.m. at the High River Full Gospel Tabernacle.

In lieu of flowers, please donate to the Canadian Canine Search Corps, Box 1, Site 16, RR #1, Cochrane, AB T4C 1A1, www.caninesearchcorps.com .

Caring for the family is Lyle Reeves Funerals (Craig Snodgrass) of High River (403.652.4242).

So saddened for you and your family at the loss of your beloved
Tanner. Steph remembers Tanner as one of the positive young guns
at the golf course when she worked there and Kim worked with
Tanner during their careers at DQ! As we attended the tribute to
Tanner yesterday there was no mistaking his wicked Allen sense of
humour and no mistaking who's son he is. We send our heartfelt
condolences to you and your family.

“ To the Schmuland family,

I'm so very sorry for your loss.

I hope you can find peace in knowing Tanner lived his life in such a big way - he fit so much adventure, and so many friendships into his 27 years. He had a true gift for humour, and his wit is legendary. I've never met anyone who could make people laugh as effortlessly as Tanner could. I think he's the only person who could have made Math 30 Pure fun.

His absence will be felt by many. My deepest condolences.

“ *Tanner was the funniest friend I've ever had in my life. No one has ever cracked me up more. To this day a random memory of something stupid we used to do will pop in my head and I'll laugh out loud to myself. I met Tanner at SAIT in 2010 and we have been good friends ever since. I introduced him to my circle of buddies and everyone loved him immediately with his quick humour and easy going attitude. One time, years ago, my car broke down in Lethbridge and I had no way of getting back to Calgary. I called Tanner and he didn't even hesitate to drive over 2 hours to Lethbridge to pick me up on a Sunday afternoon and drive me all the way back to Calgary, and asked for nothing in return. That's just an example of how good a guy he was. I'll never forget the times we spent going to the gym every day between classes, working on projects together, roofing houses together, planning trips overseas, discussing philosophy and the future, and of course partying together. Tanner truly was a one-of-a-kind person who lived life according to his own rules and didn't care at all about other people's opinions or expectations, which I really admire. He will forever be missed. See ya on the other side buddy.*

“ Some of my favorite childhood memories have Tanner in them; traipsing around North Glenmore, buying slurpees and candy from the store, teaching me to kick-flip on his skateboard and walking home from school together. Not to mention, the odd handpicked bouquet of flowers from Debbie's yard! He was a sweet, kind, and absolutely hilarious kid to be around, and I feel privileged to have known him the short time that I did.

My deepest condolences to the Schmuland family. He will be missed.

“ My heart hurts so much for you and your family. I hadn't seen you in a long time but I honestly did think how I wanted to see you when I was home next cuz it had been so long.

Looking back on the times we hung out, I can without a doubt say they were some of the funniest best times. The midnight runs to Tubby Dogs, the endless DQ shenanigans, ripping it around town in Veronica, watching Billy Madison a 100x or Halloween when you absolutely nailed Ace Ventura you were always down for a good time. Your wit was unmatched and you gave me soooo many vicious tongue lashings I can't even be upset about the burns they were that good. You seemed like a tough guy with a hard exterior but once you let the wall down, you were such a nice guy who generally cared about his friends.

I am sad I won't get to know you as the man you grew up to be but I am forever grateful to have been a small part in your life. Your time here with us may be over but I know your giving them hell up there and I look forward to catching up someday ❤️

“ Craig, Debbie, Tanya, Brittany, Roy and all the family. Our prayers and sympathy to all of you. We are more familiar with Tanners early years. He was full of fun, laughter, life... and a plan. He always had a smile with motive. He has a huge impact on our family. His smile was contagious and his plans and motive involved everyone around him. He made Tom Sawyer look boring. He loved his family and lived life more than most of us could dream. Here is a poem we would like to share that we think describes his passion for life, that will impact everyone who knew him, for the rest of our lives.

"I knelt there at the headstone

of one I love and cried.

Name, with dates of birth and death

were perfectly inscribed.

I pondered these two dates

and how little they both mean

when compared to the tiny dash

that lies there in between.

The dash serves as an emblem

of our time here on the earth,

and although small, it stands for all

our years of life, and worth.

And our worth will be determined

by how we live each day.

We can fill our dash with goodness,

or waste our life away.

To ourselves, as well as others,

let's be honest, kind and true,

and every day, live the way

we know God wants us to.

May we look for opportunities

to do a worthy deed,

and reach out with compassion

to those who are in need.

For If our hearts are full of love

throughout our journey here,

we'll be loved by all who knew us

and our memory they'll hold dear.

And when we die, these memories

will bring grateful, loving tears,

to all whose lives were touched

by the dash between our years."
