“ *The world has lost a shining light of humour with a wee bit of stubbornness and a whole heaping of kindness with the passing of Ted. May he rest in peace. Sincerely, Dale and Dale*

“ *Steve & family, Karen & family. Ted was a special man, hard working, caring, smart & possibly a wee bit stubborn. I loved my visits with both him and your mom. He was always willing to lend a hand free of charge, but when it came his turn to accept help that was difficult for him. I will remember him with love. My sincere condolences to all of you. “ I’m so sorry to hear of Ted’s passing. He was a wonderful man. Always willing to help. I rented a space off of him for a few years and he was the most caring soul, always checking in with me to make sure I had everything I needed. Carseland will feel a huge void. Huge hugs to the family!!
