“ *My heart is with Auntie Shirley, Stuart, Jeff, Kevin, Mackenzie, Braeden and Gaby during this incredibly difficult time.*

Uncle Milt was such a special man. I will always remember his quick wit and infectious humour. He worked so hard for his family and loved you all so deeply that was always so clear.

Some of my most treasured memories are of our family dinners and picnics when I was a little girl. He was so genuine I can still picture his smile and hear his laugh.

He will be deeply missed and forever remembered with so much love.

Wrapping you all in our thoughts and prayers during this time, sending our love Laura, Bob and family xo

Milt was a great example of a life well lived, an adventurous spirit surrounded by love. Marty & I always felt fortunate to be included in Milt & Shirley's wide circle of friends. Spending time together, out for lunches, going to concerts, getting together for coffee, walks, and the picnics with Milt's beans, are wonderful memories. Miss you Milt.
