Tribute Wall

“ *Oh my friend... you passed from this life in November last year and I didn't even know - I hope you were surrounded in love with your three beautiful children and those you love.*

I know we weren't close these last many years for many reasons. I know you fought hard and I know your proudest achievements in life were your children and time with them meant the world to you.

I hope you are resting easy and I know that you will be watching over your babies as they make their way through life!

“ The Tina was a cheerful spirit who did not wait for the storm to pass but learned to dance in the rain. May happiness be with you now and bless you forever more Tina. Kari, Samantha, Scott and Joe death leaves a heartache no one can heal but love leaves a memory no one can steal.
