

Mr. Todd Bradley Champagne

October 1, 1968 - February 3, 2014

Mr. Todd Bradley Champagne passed away peacefully with family by his side on February 3, 2014 at the age of 45 years. Todd was much loved and will be greatly missed by his family: son Jamie Dang; grandmother Elma Schlekewy; parents Arnold and Vivien; sister Tracey and nephew Jaxon; brother Tim (Darlene) and nephew Dustin; sister Anita and niece Dover and nephew Teigan as well as numerous extended family members.

Todd was best known for his loving heart and his sense of humor. Always ready to lend a helping hand. His house was always full of friends and laughter. He loved to fish in summer and winter. At a young age his hobby was building model cars and trucks and he carried this on into his adult life.

Once a friend of Todds, always a friend of Todds and he had many. All who will remember him fondly and miss him greatly.

A Celebration of Todd's Life will be held on Friday, February 7th at 2:00 p.m. at the Cayley IOOF Hall, (122 Hammond Street, Cayley, AB). Caring for the family is Lyle Reeves Funerals of High River (403.652.4242).

“ *My heart felt sympathies to the family and friends of Mr.
Champagne. I do not know him but in search of another I saw his
photo. I could see that he was young and I had to write a
condolence to the family. I don't know if his death was sudden but I
do know he is young and that indeed is devastating. May the God of
comfort be with his family and friends. Revelation 21:3-5*

“ I will miss you Mr. Todd Bradley Champagne the third...which is exactly how you ordered your cab every time...even though I knew it was you! I will miss our long lasting conversations at drop off time...neighbours were probably wondering what the heck we were chatting about for 40 minutes while sitting in your driveway...but then again, anyone who knew you would laugh and say "oh yeah." I still have your book...it was a very different read as you said and you still owe me an apple pie. Todd I will always think of you.with a smile. Thanks for the time we spent together and I will see you on the other side. Rest in Peace my friend.

“ I will never for get the last conversation I had with Todd. We talked for well over 2 hours. We talked about life, what we both wanted out of it, the illness and injury we have both endured. We talked about the people in our lives, the good ones and the bad. We talked about the good old days of high school, and wondered what some of those people were up to now. We talked about our families. And we talked about love and relationships. We made plans to go see a movie together, unfortunately I was unable see that movie with him. I will always regret that I did not get to see him one last time. But I will always treasure the memory of that last conversation. We had the opportunity to talk about so many things. Todd could always make me laugh. He had such a great sense of humour. My dear friend, you will be greatly missed. I know you have left a hole in my heart. I guess the angels need someone like you to keep them laughing. Goodbye my friend. ???
