

Mr. Todd Klassen

September 14, 1964 - December 24, 2021

It is with the deepest sadness and heartbreak to announce the passing of Todd Dorrell Klassen on December 24, 2021 after a brief but courageous battle with cancer.

Todd was a wonderful father, husband, brother, son, uncle, friend and business partner. He made so many people laugh with his humor and wit. He was also an excellent chef, as well as a handyman extraordinaire and loved to watch and play sports, but his most valued time was sitting around the campfire in the backyard enjoying a beer and/or scotch with his friends and family.

Todd was predeceased by his sister Dorinda Klassen and nephew Dalton Inkster and leaves behind to grieve his best friend, life partner and loving wife of 21 years, Colleen Klassen, their beautiful, sweet daughter, Abby Klassen, his wonderful father Lyle Klassen, his loving and caring mother and step father LaVera and Nes Davison, his lovely sister Karey Kutney and her husband Curtis, Brothers and Sisters in laws, Aunts and Uncles, and many nieces and nephews, and great nieces & nephews as well, whom all loved him dearly. We will all miss him very much as he was one of the most wonderful, kind, generous people you would ever want to meet.

We would like to thank the doctors, nurses and staff at the RAU at SHC, the

Neuro ward at Foothills and the Palliative care ward at High River Hospital, for all of their outstanding care and compassion shown to Todd and our family during this difficult time, as well as Lyle Reeves funeral home for making such a difficult time so much easier.

A special Celebration of his life will be held at a later date. Those wishing to make a donation in Todd's honor may do so to the High River Cancer Care foundation.

Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass)

“ *Such a wonderful guy and dearly missed! Our hearts are with you all.*

So many Christmas Eves and scotch tastings we enjoyed together but I'm sure he's enjoying Happy Hour all the time now sitting by a campfire💙
