“ Our thoughts and prayers to all the Bergers following the passing of your precious Mother/Grandma. We had the pleasure of visiting with Verna and Jake several times over the years at many functions with Lori and Mike. Verna's family was such a big part of her life and she often spoke proudly of them. May your many memories keep your Mom/Grandma close to your heart knowing she has reunited with Jake.

Distance separates us from attending Verna's service but our thoughts are with you.

Hugs to all,

“ Our sincerest sympathies, Gwen, Peggy, Carol, Lisa, Tom and Loretta, and Families; We were sorry to hear of your mother's passing and know that no matter how long a parent's life, or how changed their health and capacity for life becomes, it is never time to say that final goodbye. May happy memories of times enjoyed together soon fill your thoughts, and may they bring you comfort at this difficult time. We will always think of Verna, with Jake, as they lived their lives together, and her life seemed to have something missing once he was gone. We will remember Verna as a petite, well-dressed lady who was very proud of her family. May the thoughts and caring of others help to ease your sorrow, and may you soon have nothing but warm memories to fill your future.
Sincerely,
Terry and Patty Atkinson

Sending my condolences to you all at this time of Verna's passing. I remember how often I stayed in your home while growing up and I especially remember the delicious baking that Verna always had on hand. I would trade anything for her lemon glazed loaf. She was a special woman and mother.

Warmest regards,
