“ Dear Diane and Family; Bill and Family;  
We wish to offer our sympathies to you all at this time. Living to 94 years of age, and enjoying good health and sound mind, are blessings that not many possess. We are sure those numerous years will have provided you with many fond memories of happy times, and laughs enjoyed together. May they bring you comfort now and in the days and years ahead. May knowing that others are thinking of you at this difficult time help to provide the strength you need at this time of grieving. Your plan to continue with the 95th party is a wonderful way to celebrate a life well lived.

Sincerely,  
Patty and Terry Atkinson
