I am so sorry to hear of Dale's passing. I worked for Dale in 4 District when I was a Rookie, in the 80s. He was a very kind and good man. He once invited me to go golfing with him and a couple of Sgts. What a great day we had! I respected him more than words can explain. He inspired me to be the best I could be and to always strive to be a good police officer and a better person. Rest In Peace Dale, you will be missed by all. Please accept my deepest condolences. I know there is a heaven and I know Dale is there. God bless him and all his Family and Friends.

So sorry to hear about Dale's passing. He was a true gentleman and was respected by me and all of those that he worked with. I had the pleasure to work with Carol Ann at Shell and with Dale in the consulting work he did in his "retirement job". He was always quick to lend a hand and exuded competence and professionalism.

We knew the McKellars when we taught in Condor. Bob and Barbara were school age; Trudi and Dale were older. We didn't meet Trudi or Dale and CarolAnn. Too bad. Dale sounds like a wonderful person.

Dear Carol Ann

Returning to Calgary after many years away, you & Dale were among the many who made us feel like we were back home again. Thank you for your friendship. Dale had a wonderful sense of humour which I know both Steve & I appreciated. They're probably having a good laugh together right now.

My thoughts & prayers are with you & your family.
