“ So sad to hear of Walter’s passing. Must have spent an hour visiting with Walter when I was at my sister Lisa’s house at my last time in town. It was such a nice visit. He was such a kind person. He will be missed. Christine Ferri (McMillan)

- “ Our thoughts and prayers are to the entire Keller family.
- This tribute is for our AWESOME & AMAZING friend Walter. We have attached some photos of happy and fun times with the group. As you can see we always had fun times with him and he had all of us laughing and smiling.
  - Walter was always Bbq-ing for us. He was quite the chef. Our favorite teriyaki chicken.
  - Many nights consisted of card playing which we all loved to do especially Walter. A game in particular, Derrald had a real issue with losing and Walter would always say “it’s just a game” but then would proceed to let Derrald win. We’d all have a great laugh.
  - As you all know Walter loved being outdoors and in the sun. So whenever there was a hot sunny day, you’d know that Walter would be dropping by.
  - We were lucky enough to enjoy a long weekend camping in 2017. Walter still had a smile on his face even though we camped in the quarry and had police visiting our neighbours. See attached photo and you’ll understand. “Nature’s Hideaway”....
  - More fun times were had in the backyard with loud music and Walter getting us up to dance. Just this past St Patrick’s Day 2018 there were quite a few milestone birthdays in the group. We all went out to see a band and celebrated by dancing all night long.
  - Walter’s favourite saying was “Awesome” and he was!!! He was caring, kind, giving dependable and always wanting to help his friends. There are just too many kind words to say who Walter was.
  - All our hearts are broken and we miss and love you very much!!!! We will never forget you!! Love Lisa, Derrald, Kari, Trevor, Boun, Deborah, Dave, Jenna, Beth & Brad.
