

Mr. Wayne Alexander Moore

December 30, 1946 - December 8, 2019

Wayne Alexander Moore passed away on December 8, 2019 in comfort and dignity at Foothills Country Hospice at the age of 72 years after an extended battle with kidney and heart issues.

Wayne was born to Thomas and Loraine Moore December 30, 1946 in Provost, Alberta. He lost his father at a young age and was raised by Loraine, along with his two brothers Art and Robbie. In High River, Wayne attended school at Spitzee and graduated from Senator Riley High School.

In 1964 Wayne attended the University of Calgary to study Dentistry but quickly realized that it was not his dream career. The Faculty of Commerce was willing to accept all of his first year courses, so Wayne quickly transferred and fortunately discovered a talent and love for accounting. He even more fortunately discovered the love of his life, Sylvia, at the U of C Engineers and Nurses dance. After graduating in 1968, Wayne accepted a position articling with Touche Ross and on July 26, 1969 he and Sylvia were married. A move back home to High River with their growing family soon followed and in 1973 Wayne became a partner in Caukill, Moore and Coakwell. In 1977, Coakwell Moore (later Catalyst LLP) was formed and Wayne was a proud partner in the firm until he retired in 2000. He was a respected business leader, known for his work ethic, integrity and expertise which he shared as a volunteer with the Institute of Chartered Accounts of Alberta and as a member of the Tax

Advisory Committee for Revenue Canada.

A kind and generous man, Wayne excelled at serving and supporting others, especially his very fortunate children, family and friends. He gave freely of his time and talent to a wide variety of causes and service organizations including the Active 20/30 Club, Rotary, the High River District Health Care Foundation and the Highwood Memorial Centre Board. Wayne enjoyed swimming, golfing, skiing, camping, bridge, travelling and especially enjoyed taking a break from the cold Alberta weather by escaping to Rancho Mirage, CA with Sylvia each winter.

Besides his loving wife Sylvia, Wayne will be sadly missed by his children, Andrew Moore (Rachel), Shannon Mattsson (Thomas) and Jennifer Livesey-Moore (Andrew) as well as his grandchildren Julia, Eliza and Helena Moore, Elias Mattsson, and Gemma and Tristan Livesey, his brother Art Moore (Liz) and an extensive circle of family and friends. Wayne was predeceased by his parents Tommy (1952), Loraine (1998) and his brother Robbie (1993) as well as his father-in-law Siggie Johnson (2001) and brother-in-law Tim Dolan (2013).

Wayne and his family would like to sincerely thank Drs. Adam and Nancy Vyse, Dr. Greg Schnell, Dr. Garth Mortis, and all of the staff at the Sheldon Chumir and South Calgary hemodialysis units for their exemplary care over the years.

A Celebration of Life was held at the Highwood Memorial Centre (128 5 Ave SW, High River, AB) on Wednesday, December 18, 2019 at 2:00 pm. In lieu of flowers, memorial tributes may be made to The Kidney Foundation, the High River District Health Care Foundation or the Foothills Country Hospice Society.

Caring for the family is Lyle Reeves Funerals of High River (Craig Snodgrass)
403.652.4242.

“ Dear Sylvia, Andrew, Shannon and Jennifer.

I was very sorry to hear of Wayne's passing.

In the years I worked with Wayne, he taught me so much. He was always patient, willing to answer questions and happy to provide background explanations for circumstances so it was easier to understand. He cared about his clients and tried to find the best possible solutions for their issues and concerns. He also cared about the people he worked with and took a genuine interest in their personal lives. He gave back to the community both in service and in financial support. The lessons I learned from Wayne went far beyond his technical expertise. He was a leader in our profession, and in our community. He built business based on genuine, caring relationships. He truly was a role model and someone to aspire to be, both personally and professionally.

All of this, while putting his family first.

I will be out of town on December 18th and unable to attend Wayne's service. Very sorry to miss as I am sure there will be a number of great tributes. Please know that even though I am not physically present, you are in my thoughts and prayers.

Thinking of all of you and hoping this note provides some comfort.

“ What a gem of a man Wayne was. I had the pleasure of working with Wayne through the High River District Health Care Foundation and while he was professional in the work he did, he enjoyed his involvement and ensured that laughs were shared. Wayne was a great community man and greeted everyone with a warm and welcoming smile. I admired his positive attitude even through some incredibly challenging time, we could all learn from him. Wayne will be greatly missed by many. My deepest sympathy to Sylvia and family, may your cherished memories bring you comfort going forward. Cathy

“ It was my honour to get to know Wayne and his family a little bit in his final months. He was immensely proud of his family, who were always first in his thoughts. He regaled me with numerous stories of travel with his beloved Sylvia and of his time with family, such as the annual family birthday brunch at the Glenmore Inn, which he was able to attend one last time. He was a class act who faced his final destiny with stoic dignity, which I'll always remember. Rest in peace, Wayne.
