“ Also very sad to hear that Wendy is no longer with us. We worked together for quite awhile at Memory Lane and without exception she brightened my mornings. It was very easy to laugh and have a good work day with Wendy at your side. Evelyn

“ Wendy We will all remember you with that genuine smile and contagious laugh. Gardening was such a passion of yours " you will be with me in spirit every time I am out in my garden". We learned so much from each other at Southfork, so many memories.

“ Spent a lot of time with Wendy walking our dogs together or spending time watching them play together down at the dog park. Enjoyed lots of BS'ing and lots of laughs. Through her health issues she kept a strong spirit and her bright spark. She will be missed.

“ What a lovely and positive hardworking lady! We loved to go for coffee in the Southfork as her joking positive attitude drew us there! She will surely be missed at such a young age! God Bless and lessen the family grief! RIP Wendy!

Wendy was the best car pool buddy ever  
We laughed alot and even did some crying. By the time we got home from the city all our work day trials and tribulations were washed away. Your positive attitude and laughter will be missed. Love you my friend. Rest in peace!
