“Denise, we are so saddened by the news of Bill's passing and our hearts go out to you at this devastating loss in your life. We watched the two of you pull together during the days after the High River flood to rebuild your lives after the loss of your home and possessions. You did it with strength and commitment to each other. May God give you strength in the days ahead and allow you to celebrate the time you had together. Hugs to you and Zoey. Wendy and Dave

“Ted and I will miss our long time neighbour and friend. Bill always had time for a chat when he passed by with the dog. He was consistently friendly, smiling and upbeat. The neighbourhood won't be the same without him. Our hearts go out to you Denise and you are in our thoughts. Ted and Alice Nelson
