Thank you for making Bill's service available. It was a beautiful service and definitely was a great tribute to Bill and the person he was. Trevor and Tamara your eulogy was the best and even though I have not seen Bill for years, it made my heart happy to hear your stories. Please know that I care for Claire and all your family and will continue to keep you in my thoughts and prayers.

“ *Such a beautiful soul! Our deepest condolences to Clare, Tamara, Trevor, and the entire family. I have always had a special love for Bill ever since I was a little girl that I could never explain. When we visited with Bill and Clare this past August, he told me that when I was a flower girl for my Aunt and Uncle at the age of 3, I spent the day cuddled on his lap because I was so sick. His love was infectious and unforgettable.*

*Much love,
