“ Cathy & family my deepest Sympathy to you and your family. We didn't get to know your beloved husband, father or Opa however we heard Cathy's fun time stories. These stories were enough to know that you were a great husband, father and Opa. May you rest in peace as your struggle of life has been taken care of. Your card games will be carried on as Cathy is introducing them to her friends. Cherish all the memories and remember all you did together will help you get through this difficult time.

“ The six years that I knew you from day one you welcomed me into the family. You made me smile and laugh whenever I saw you, and introduced me to so many card games which I loved playing with you and the family. I will always cherish those memories and will miss you.

“ There are no words to even begin to describe how much I will miss you. You hold such a special place in my heart, I will never forget the memories. You teaching me how to play 31, your “ card laid, card played” rule, the biscuits on the chin, the sarcasm, the time spent together every Sunday playing cards and enjoying a nice family dinner. You were one of the greatest men in my life, and I will forever be thankful for the time we had together. Until we meet again, opa. I love you. ❤️
